## *2014 Fall Edition*

The Hebrew word “Jubilee” in the Old Testament is *yobel* or ram’s horn (shofar). The year of Jubilee is every fifty years according to Leviticus 25:8-13 during which slaves and prisoners are freed, debts cancelled or forgiven, and the mercies of God particularly evident. We are in the year of Jubilee from September 23, 2014 until September 24, 2015.

“What does Jubilee have to do with me?” you may ask.

Jubilee is about (1) freedom, (2) forgiveness, and (3) mercy. We believe these become real to anyone who will access these with the kind of faith used to access personal salvation. Believe, receive, and act. Believe you can be free from whatever hinders you from abundant life, receive this freedom from God, then act like you are free! This three-step process applies to forgiveness and walking in God’s goodness and mercy.

The above sentences can be either a little “preachy” or the path to the abundant life of freedom, forgiveness, and God’s goodness and mercy. Believe, Receive, Act
