2014 Year-End Edition

“Excuse me for using the words ‘blown away’ a lot, but it was powerful. Our lives are forever changed.”

This response to our one-day seminar on Blessing is similar to another person who said, *“I would have come 2,000 miles to hear this.”* Participants in our November seminar near Haines City, Florida were equally responsive.

2014 is the most productive year for Open Church Ministries since 2010.

Thank you for your prayers, blessings, and finances that impacted so many people in Europe, Puerto Rico, and the USA this year. Here are some ministry highlights:

- Weekly house church meeting in Sardis, GA. We began this work in May 2012
- June trip to Copenhagen and Nykobing, Denmark
- Ministry in Fremont, Ohio, Haines City, Florida, and several venues in Georgia
- Mission support for local families in need, Habitat for Humanity, Kyle & Wendy Holland in Ireland, and work in Puerto Rico
- Distributed 35 cases of books (*Cotton Tales* and *The 2 Minute Miracle*)
- Gave 400 Spanish copies of *The 2 Minute Miracle* for Puerto Rico, Florida, New Mexico, and Georgia
- Writing new book on thinking, speaking, and blessing under an open Heaven

Looking Ahead to 2015

We wrote about the year of Jubilee (September 2014 to September 2015) in the Fall Edition of the OCM NewsPage. Jubilee is about (1) freedom, (2) forgiveness, and (3) God’s goodness and mercy. We expect more opportunities to minister the power of blessing and with greater anointing during 2015. What a year this promises to be as the Holy Spirit opens doors for us to share the freedom, forgiveness, and goodness that come through blessing!

If we can schedule a seminar in your church or community, email us at redtick_cbi@yahoo.com or see www.lynnreddick.com for details.

OCM is supported by people who benefit from our teaching and ministering. Knowing that you stand with us is heartwarming. Thank you for your prayers, blessings, and financial support.
