Our granddaughter, Kayla, dropped by yesterday, making final plans for the mission trip to Kenya, Africa. She leaves in about 10 days and will be gone June 25—July 5.

The Kenya mission has three current aspects: establishing a church, a school, and providing a medical clinic. Kayla and the seven member team from Statesboro, Georgia, will be working in these three areas. This project is detailed at www.missionhome.org.

Baptizing a Samburu woman

We are honored to have friends and supporters of Open Church Ministries stand behind Kayla. Thank you for your blessings, prayers, and encouragement during the Africa trip.
