**2016 Fall Edition**

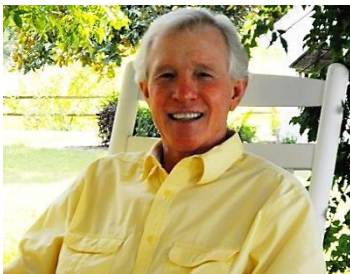

**THE FINAL DRAFT OF THE NEW BOOK** is almost ready. This Revised & Expanded Edition of the original book, *The 2 Minute Miracle*, has an additional 100 pages of new materials—fresh insights and stories of the power of blessing God, things, other people, and even ourselves! You'll enjoy the chapter entitled, *OH, COME ON. BLESS MYSELF? SERIOUSLY?*

This new book should be ready for distribution by the end of the year; available through Amazon, our website, and other retail outlets. We hope to have an eBook edition available also.

Thank you for your encouragement, input and support through this process. We continue to be amazed at the ripple effect blessings have on people and things around us—often in a matter of minutes!

**YOU CAN WATCH A 38-MINUTE VIDEO** of the power of blessing. Go to the opening page of the website, [www.LynnReddick.com](http://www.LynnReddick.com), click on the video, *Forgiving and Blessing*, we recorded in New Zealand. This overview of blessing also appears on YouTube.

Never say,  
"NEVER!"

*"I'll never do that Facebook thing. NEVER!"*

*Now, after 11 years, I'm accepting the inevitable and finally stepping into the 21<sup>st</sup> century of social media. Perhaps it's never too late to face new adventures.*

*So, send a "Friend" request (Lynn Reddick), and I'll gladly join your circle...really!*

OCM is supported by people who benefit from our teaching and ministering. Knowing that you stand with us is heartwarming. Thank you for your prayers, encouraging words, and help.

Our Blessings & Thanks,

*Lynn & Linda Reddick*
